INVITATION

Hello Friends! Again we are going to meet in our most favourite Bharatiya Sugar Symposium, Award Night and Expo 2017. We are arranging our **"5th Bharatiya Sugar Symposium, Award Night and Expo 2017"**, on 28th and 29th July 2017 at Hotel Sayaji Kolhapur, Maharashtra, India. Our advisory Council, Executive Committee and Symposium Committee meeting was held at Kolhapur Udyam Co. Operative Society Hall, Y.P. Powar Nagar, Kolhapur, on 28th April 2017. We discussed current situation and need of Indian sugar industry and finalized a theme **"ENHANCEMENT OF PROFITABILITY IN SUGAR INDUSTRY"**, for this year's Symposium. We aimed to provide an unbiased platform for sugar industry experts and sugar mills to share the views, problems, solutions and innovative ideas to make the industry viable and survive in a good manner. We always tried to provide best of best knowledge to the Indian as well as International sugar industry.

Our slogan is **"We are Serving"**, really we would like to serve through such a big platform with maximum knowledge in minimum cost. That's why our stall rates and delegate registration fees are always on lower side. Keeping in mind the current financial situations of sugar factories, their traders and overall sugar sector we are trying to plan a design everything to provide in low cost. It's my honest effort and pleasure towards Indian sugar sector and their ancillaries to provide a big platform in low cost to Co. Operative as well as Private sector sugar mills and their technocrats to bring together under one roof.

We started this platform not only for knowledge sharing and marketing in sugar sector, But, we introduced the **"Bharatiya Sugar Awards"**. Felicitate give various awards every year to encourage sugar industry and their technocrats. We are bestowing the award to both Co. operative and Private Sugar sector as well as sugarcane growing farmers also. Year by year we would like to include every department related to sugar industry. The felicitation of awards is for the sake of encouraging people to work with energetic atmosphere in this industry.

I would like to, personally, invite our Indian and International Sugar Industry personnel, Manufacturers, Traders, Providers and Sugar Technocrats to attend this event and get the benefit from this great convergence of knowledge.
